

THE KIWANIS CLUB OF DEARBORN WEEKLY NEWS

WEDNESDAY NOVEMBER 2, 2016

SINCE 1928

Only six days till the big election and our meeting was abuzz with chants of Hillary, Hillary, we All Love Hillary. Some of the members were dancing an "Arkansas Jig" while the women in the Club started a conga line snaking through the room signing "For She's a Jolly Good Woman". Longtime liberal Republicans Mike Marxer and Norm Record were trying to organize a January trip to Washington DC so they could be present at the historic inauguration and bring back souvenir statues and T-shirts for the rest of us and Leon Bergeron called with support while criss-crossing the Upper Peninsula attending "Michigan Militia for Hillary" rallies.

It just warms my heart to see how so many of the Republicans in this club have come together in support of what will be our first lady president. I know for a fact that Dr. Paul is looking forward to a new "Hillary Care" with a single server.

Remember, if you know someone that mistakenly voted for Trump by absentee ballot it's not too late to have them go to their city clerk's office and change that vote to "Hillary".

After about an hour of rachis celebrating and calls of "Donald for Prison" Linda managed to get the crowd under control long enough for Committee Meetings and a Board of Directors meeting. Passed were a number of donations and a resolution to make Adrienne's boss at Boors Head an honorary member.
