

February 17, 2016

This week the newsletter will be short and to the point, composed entirely of second hand information. Both our regular newsletter writers were absent on Wednesday. Cub Reporter Jimmy Olsen was “North of the Border” doing his annual training with the Canadian National Guard Mounties Unit and Babydoll was knee deep in a toxic waste spill initiated by a Colonoscopy cleansing. I would like to thank Uncle Ray for providing all the following information.

There were two guest speakers at Wednesday’s meeting, The Information Center, a resource for residents of Wayne & Monroe counties and a nice couple representing the American Enema Organization. Both speakers gave interesting presentations with useful information but the “Iced Margarita Enema” demonstration was the highlight of the evening (although it was a bit messy).

Congratulations to Leon Bergeron on his recent appointment as co-chair of the Michigan “Hillary For America” campaign. Leon, a life long liberal Democrat will be co-chairing the committee with his good friend Mayor Jack O’Reilly Jr.

“Get Well Soon” wishes to Club Secretary Ed Chielens who recently lost a testicle in an unfortunate snow blower accident.

If you still owe any dues money, installation party money, Christmas party money or have any last minute peanut sale money, now would be the time to get it to the Treasurer.

#### Up-coming Events:

February 24<sup>th</sup> – George Samson, President of World Medical Relief tells us how his organization helps supply medical aid to underserved populations in more than 130 nations.

March 2<sup>nd</sup> – Zinab Zriek, Key Club advisor and teacher at Fordson High School talks to us about the Rustic Pathways Project endorsed by Kiwanis International. The Fordson Key Club, 185 strong, hopes to send 12 Key Club members to Costa Rica for a week this summer to work on upgrading four elementary schools. This is also the week our Lt. Governor will be installing two new members in the Club. Please be here to welcome Renea Callery and Abdullah Hammoud as the two newest members of the Kiwanis Club of Dearborn.

March 9<sup>th</sup> – Dearborn Police Department’s Cpt. Bartok will talk to us about our sponsored attendee to the Michigan State Police Law Enforcement Career Academy and also about the Explorer Post 1177 in Dearborn.

Saturday, April 16<sup>th</sup> – Kiwanis Michigan Spring Divisional in Warren Michigan. We hope to have an inter-club at this event.
