It is tax time, and lucky for us Jerry Assenmacher was @ the meeting. Jerry was talking golf not returns.

But he did fine Prez Don for trying to tell him (Jerry) about numbers. We sang a pretty sad rendition of GBA, and new member Abdullah gave the evening's blessing. Abdullah then gave a Happy Buck for his brother being accepted at the University of Michigan. Al took the floor and fined his usual suspect Dr. Goerke for being a "no show" @ the Rotary Club's surf & turf dinner.

Al had saved a seat at his table for Paul, and when the dinner came, Al removed the lobster tail from Paul's empty plate, and put it "somewhere safe on his person." He wanted to give to Paul, but the good Dr. didn't think he wanted a lobster from a "Human Food Warmer".

Richard Nettlow then fined Al for providing "TMI" about the lobster.

Renea ponied up "Happy Dollars" for her upcoming trip to California. Mike Marxer gave a happy buck for his visit Colorado to see member Damon Marxer. He said Damon will be in Detroit next week and hopefully he'll be able to attend the meeting. Jerry gave a happy \$ for playing golf on April 13th, which I doubt he ever did before, and probably never will again. There was a condolence card being signed for past member Bob Kuhlman's family. Bob's memorial service is being held at the First Presbyterian Church of Dearborn on Saturday, April 23, 2016

Speaker for the evening was Jennifer Dickey, who is from the Dearborn campus of Sienna Heights College. She explained the programs and curriculum of getting a B.A. or B.S. from Sienna Heights.

Norm Record and the membership committee met and he reminded us to be on the look-out for new members and please invite anyone that might be interested in joining us.

Presidente Don revealed that Al Holmes was trying to conceal his April Birthday, so Al gave up \$5.00 to have the entire club get down on one knee to serenade him with the Birthday Song.
