

April 27, 2016

There were only 16 members at the last meeting in April. And it was a Board Meeting night. Anyway, Prez Don had Jerry Assenmacher led us in "GBA", and then 1st VP Linda gave the evening's blessing.

There were three cards being passed around. A get well card for Bob "Zeke" Zimmerman, who is recovering from Hip surgery. The other two cards were condolence cards, for the families of Ray Campbell and Bill Klingel, former members who recently passed away. There were plenty of Ray Campbell stories at my table. Ray Scorbora gave some "Happy/Sad" dollars for the members who have passed on. Al got fined by his nemesis Dr. Goerke, for mis-using medical terms. Al was also fined for answering his phone during the meeting. Tom Gillespie is looking forward to this weekend, as he will be babysitting grand babies .

Renea ponied up \$5.00 for her birthday song, which we sang silently. Pat Abbott said that the Gull Lake Golf outing is this weekend. Hope the weather is good for the 14 linksters scheduled to tee off.

Mike Marxer got up and spoke about Bob Kuhlman's WW II service in the U.S. Army Air Corp. flying P-51s.

Speaker for the evening was George Samson from World Medical Relief. He spoke about the work they do around the world and how they collect surplus medical supplies from Hospitals. The Past Presidents meeting was held last night @ Vic Martin's house. I'm sure we will get the 411 at next week's meeting, about the decisions the conclave made yesterday.
