It was the last meeting in May, and the Happy Dollars were raining down. Pat Abbott gave ☺\$ for his son doing a 100 mile race. Skip Armstrong gave ☺\$ for his son-in-law Joel's anniversary of surviving and recovering from the Detroit Grand Prix, two years ago.

Larry Jackson, the evening's Sherriff gave happy bucks for his wife's continuing recovery from hip surgery. Larry also fined Treasurer Al Holmes for the "bad ride" home from the Dearborn Memorial Day Parade. Al said we had a good showing of members(9) and Edsel keyclubbers handing out peanuts at the parade. Kudos to all that participated. Al then fined Don Killion (who also ponied up happy\$) for still being a kept man. Ed Chilens gave happy \$ for his wife's successful operation. Norm Record also contributed to the happy dollars.

The speaker for the evening was Ken Paris, who is running for Dearborn City Council. Ken was a Dearborn Policeman for 40 years, rising to the rank of Lt. There were elections:
