No guest speaker this week, apparently the representative we had lined up from the Trump campaign was in Merry Old England washing down sausages with warm beer while he urged the Brits to “exit” the EU and join “The Donald” in a new coalition of outlaw countries that will be known as “Land of the Mad” or “MadLand” for short. The national flag will be a big sharp stick poking a giant eye and combover’s will be part of the national dress code.

We did have four members from the Circle K join us for dinner. Two of those members have asked to join our club as regular members now that they have graduated from collage. They will be welcome additions to our club and dramatically lower the average age of our membership. Drashti Patel is, among other things, a “Diversity Ambassador”. I’m hopping she can help the Republican Table, cause God knows they are badly in need of it.

Our President Elect, Linda Michalek, was absent Wednesday evening. Apparently it had something to do with a sign on a tree in front of the Police Station that reads “Absolutely No Climbing the Trees”, and a large bottle of wine. Linda does like a challenge, and the crowd loved the fact that she was wearing a skirt.

Renea Callery was also absent last Wednesday, although I don’t thing there was a tree or a bottle of wine involved. Renea was our representative at the Kiwanis International Convention in Toronto Canada and will have a complete report for us at this weeks meeting. (There might have been wine involved in this absence, but all of us know it’s much to cold in Canada for trees).

On July 6th our club will be having its regular meeting at Penrickton Center for Blind Children. Please bring a friend, neighbor or acquaintance to this event. Penrickton is a “One of a Kind” facility for the care of children 2 to 12 years old that are blind and have at least one other handicap.

“We are asking our members to try and pick up one or more of the items on Penrickton’s “Special Needs List”, items they need on a daily basis. Please bring these items to the July 6th meeting at Penrickton. If you can’t make it that night brings these items this week and we will get them to Penrickton.
