It was Drums along the Mohawk as we partied @ Adrienne & Wes Zain's house. The Cook-Out was great with plenty of people showing up for food, cocktails and camaraderie. Wes did the cooking and food was great. Treasurer Al was holding court at his table and even brought his better half to the party. We had new members and Circle K'ers along with the "usual Kiwanis suspects." Lame duck President Don looked happy, as he only has about 8 weeks left in his term, before handing the reins to Linda Michalak. Linda was at the Treasurer's table with her fellow "Red Hatter". The Zains' introduced a new game at the Cook-out-"Cornhole", and provided an Ironman trophy to the winning team of John Curran and Jim Wood. ALOT of fun was had by all. Special Thanks to Jerry Assenmacher for providing the logistical support for all our cook-outs, and to our Hosts "Adrienne & Wes, for their hospitality.
