WHAT'S IN THE NEWS????

July 26, 2017

Edition 1, Volume 21

## Lady in Red – Ready to Go Newsletter

Well, I thought that I would do a newsletter this way, so that it can be shared with others and put on the website. I so much enjoy Baby Face and Rin Tin Tin's newsletter more than mine – so I thought once a month you would get a different version of my turn to do the newsletter.

So what's in the news from July 26<sup>th</sup> meeting??? Finally had a decent crowd – all three tables were filled. Two of our Key Clubbers – Atief (Hillary) and Angela were in attendance.

Usually Richard sits at the “semi-quiet” table, but he was missing in action – then showed up just in time for dinner.

So the Happy Dollars & Fines started and Skip out beat our *Finer AI* to the gate & had a Happy \$1 because our Florida member Mark V put an ad into the magazine Skip is doing.

And finally *Finer AI* stood up and fined “Smurf” for the new du on Adrienne – it looked cute and she told the stylist to do “lilac” and he didn't – but I thought it looked cute on her new cut.

Larry, Linda & Myself each gave a Happy \$1 to Dr. Goerke like Turkey because at Little League last week we all learned the “50 Shades of Marriage”.

Larry also had some Happy \$\$\$ because it was a year since the great doctors saved Cindy's life. We are also very Thankful too!

Adrienne shared that her dad – member Kerry had a successful hip surgery and is doing great. Tom arrived late.... and interrupted the conversation at the podium and said to Adrienne – Oh you have blue hair... so the battle went on – is it blue or lilac or none of the above???
