

July 6. 2016

Wednesday's meeting of the Dearborn Kiwanis Club was held at Penrickton Center for Blind Children and we had quite a crowd. Twenty one members, spouses and Circle K members attended while another four members showed up at the K of C by mistake (Three stayed to drink beer).

Leon Bergeron bought pizza and salad for all of us at Penrickton, then that low down dirty scoundrel Treasurer of ours still charged \$20 a head from all the members and guests. He even made some members (the real evil ones) throw in extra money and personal checks. By the time we were done Dry Gulch Billy had collected \$802 and was heading out the door to do a little mining for nuggets at the Silver Cricket. That's when Skip, Don and Linda thru him up against the wall and made him donate the entire \$802 to Penrickton (mining for nuggets would have been more fun).

After the meal we had a personal tour of the facility and spent some time in the main recreation/learning/feeding room watching 14 different children and 8 very skilled attendants (all were young women, apparently men don't have the patients or skill set for this labor of love).

An hour tour at Penrickton and you have no doubt that the money we donate on a regular basis is being well spent, I only wish we could give more.
